Chorus

For you,
You have been chosen to be God's holy people
That he builds
Into his house like living stones
Full of the Spirit of Peace

Verse 1

May you keep your actions noble
May your neighbors see your love
When they speak about your failure
May they see good deeds and give God glory

Verse 2

If you've seen that God is precious
If you've tasted that he's good
If your passion wars with your spirit
Keep your sojourn holy with God's beloved

Verse 3

Come to him, the stone that's rejected
Come to him and offer your life
Put away your envy and slander
Come to Christ and build on the Stone of Zion

Bridge

His mercy has called you
From darkness and into his glory.
The day of the Lord will come
