Director of Sound

Summary:

City Reformed Presbyterian Church (CRPC) is seeking a Director of Sound (DS) to manage audio and online digital media needs. CRPC is a medium-sized Presbyterian church (PCA) congregation in Pittsburgh, PA. The church rents weekly space from Winchester Thurston School in the Oakland neighborhood for Sunday morning services. We are a worshipping community that has a large emphasis on congregational involvement, so technology should be designed to highlight human interaction, not performance value.

Qualifications:

- The DS should have professional experience in running live sound.
- The DS should be good at managing teams.
- The DS should have comfortable knowledge with pro audio equipment.

Responsibilities:

- The DS reports to the executive pastor (EP),
- Coordinates equipment and services with the music director and EP,
- Run live sound on Sunday morning and Sunday evening worship services (including set-up/tear-down) as well as special services (Good Friday, Christmas Eve, etc.) or events.
- Be responsible for making sure all church services/events requiring sound are covered, even if the DS is not directly running it
- Manage, schedule, and recruit backup sound engineers
- Maintain equipment, update sound systems, and make midweek inventory adjustments as needed

** There is opportunity to expand this job description to include website design and/or serving as a live stream technician for morning worship services. Please inquire if interested.*

Compensation & Benefits:

- \$8,000 / year for 8 hours a week.
- 3 Weeks PTO + one additional Sunday off;
- If event coverage results in hours beyond 8/wk, would compensate as we do for backup sound engineers.
